HAMLIN, JONES COUNTY, TEXAS, FRIDAY, JUNE 7, 1946

NUMBER 31

## Shipment of Grain Passes 100 Carloads

WHEAT CONTINUES TO COME IN AT NICE CLIP—111 CARS GO TO CENTERS SO FAR

Receipt of wheat by the four buyers in Hamlin during the week since last issue of The Herald totaled one more than shipments received so far during the season previously. Fifty-six cars came in since last OofSSH six cars were shipped since last Thursday, as compared with 55 cars previously.

This made total shipments from the Hamlin shipping points total 111 cars for the season.

Observers still cling to the belief that total of around 250 cars will be shipped from Hamlin this year.

Market price has remained \$1.72 per bushel for No. 1 grade wheat, which is ceiling allowable. Practically all grain received so far has made the No. 1 grade.

During the past two weeks moisture content has been kept down due to comparatively dry weather. Few little showers during the period have quickly been absorbed by a summer sun.

Yields for Hamlin area wheat are maintaining an average of around 14 bushels per acre. Occasionally a yield of as high as 20 nad 22 bushels is reported by growers.

As previously stated in The Herald, the yield is a surprise to most area folks in view of the very dry condition of the vicinity a month ago, just before grain began to mature.

## Two Hamlin Boys Get Discharges from Navy

Two Hamlin area boys last week received discharges from the U. S. Navy at the U. S. Naval Personnel Separation Center at Norman, Oklahoma, according to word to The Herald.

Walter Richard Cypert, of Route 3, Hamlin, who last served on the USS Duxbury Bay, was a storekeeper first class. He served for 15 months overseas in the Pacific theater.

Ruben Eugene Essary, motor machinist's mate third class, whose home address is Route 2, Hamlin, served in the supply unit of airplane carriers on Kwajalein and the Marshall Islands, serving eight months overseas in the Pacific.

## Jessie Myers Wins Place in Midland Rodeo Tilts

Jessie Myers, Hamlin's entry in the sponsor contest at the Midland World Championship Rodeo that closed Sunday night, placed fourth in a large field of popular girl riders that set a stiff pace for competition.

Miss Myers, winner of first place in the recent Sheriff's Posse Rodeo at Abilene, has been entered in other area sponsor contests, including the Cowboy Reunion at Stamford next month.

Thena Mae Farr of Seymour won first place in the sponsor event. As her prize for fourth place winning Jessie was presented a sterling silver toilet set by the Midland rodeo management.

## YUGOSLAV MOTHER SAVES CHILD AWHILE

A Yugoslav mother holds her baby which she has managed to keep alive by feeding it her own meager ration. Both are typical of millions suffering from acute malnutrition in Europe and Asia

who will die unless more food is provided immediately. You can help by giving money or canned food to the Emergency Food Collection being conducted in behalf of UNRRA.

## TRENT COMES BACK STRONG TO DEFEAT INDEPENDENTS 18-2

Folks around Trent must have concluded late Sunday afternoon that revenge is sweet, because the baseballers staged a real comeback from the 13 to 9 defeat they had suffered the previous week at the hands of the Hamlin independent nine. Sunday's score was the lop-sided 18 to 2 count for Trent.

Local attendants state the Trent team was just "on the ball" all afternoon and that they couldn't be stopped—even with three pitchers from this Jones County town. Six costly errors by the locals coupled with 18 safe hits by the Trent crew accounted for the scoring spree.

Seven of the 18 Trent tallies came in the third frame, when the locals muffed several chances and the batters connected with several in a row.

The locals plan two games at home this week-end. They will meet Lawn Saturday afternoon at 3:00 o'clock, and Roscoe will come here Sunday afternoon to play at 3:00 o'clock.

Box score on Sunday's tilt with Trent follows:

## Russell Says Best Crops in West Texas in Area

Ted Russell, vice president of the Farmers & Merchants National Bank, who returned with his wife, Mr. and Mrs. C. C. Prater Sr. and Patsy Brashier from a few days' stay at Ruidoso, New Mexico, first of the week, says that the Hamlin area has the best crops he has seen this summer.

"From near Post on into New Mexico the country is very dry," said Russell. "Practically no crops are up, and even the grass lands of the lower Plains are sorry. The shinnery and mesquites are about the only greenery for miles west of Post."

## MRS. W. A. TUCKER, FORMER RESIDENT, DIES IN CAR MISHAP

Mrs. Eloise Burgess Tucker, 25, former Hamlin resident, was instantly killed in an automobile accident near Westbrook Saturday midnight. Accompanied by a neighbor boy, Myrlin Davis of Sweetwater, the car overturned after a tire blowout. Mrs. Tucker was driving the auto. Young Davis was treated at Root Memorial Hospital at Colorado City for injuries.

Mrs. Tucker formerly was connected with the Burgess Bakery in Hamlin, and had resided for a number of years in this community, where she was well known.

Funeral for Mrs. Tucker was held Monday afternoon at the Lutheran Church in Sweetwater, where Mrs. Tucker has made her home for several months.

Deceased is survived by her husband, W. A. Tucker; the parents, Mr. and Mrs. W. S. Burgess of Sweetwater; a brother, Walter Burgess, owner of Burgess Bakery at Hamlin; and two sisters, Mrs. Charles Savell of Dallas and Mrs. Pearl Dodson of Temple.

## Lawn and Roscoe Play Here This Week-End

More baseball is on the menu of Hamlin area sports fans for this week-end. Two games are slated by the Hamlin independent baseball aggregation.

Nine from Lawn will furnish the opposition Saturday afternoon, when a game will be called at the city park at 3:00 o'clock. Roscoe baseball team will engage the locals Sunday afternoon at the park, when game time will be 3:00. Admission to the games is 35 cents.

## ENLARGED YOUTH CENTER TO OPEN AT NEW HIGH SCHOOL QUARTERS SATURDAY

An enlarged youth center for the young folks of Hamlin community was made possible when the Board of Education of the Hamlin Consolidated Independent School District voted to permit use of the north wing of Hamlin High School building and the tennis and volley ball courts for a recreational center.

Under sponsorship of the Hamlin Ministerial Alliance, of which Rev. J. T. Crawford, pastor of the Church of the Nazarene, is president, the new youth center will be opened Saturday evening of this week at 7:00 o'clock. The recreation unit will be open to all youths of the community on Tuesday and Saturday evenings thereafter during the summer months from 7:00 to 10:30 p. m.

North wing of the high school building is now occupied by the gymnasium and cafeteria.

## Bonds for County Hospital Turned Down by Close Vote

### BUDDY POPPIES GO FAST IN HAMLIN TO BRING IN \$22350

Response of Hamlin people to the recent sale of Buddy Poppies under sponsorship of the Hamlin Post of Veterans of Foreign Wars was so tremendous that the scheduled week's sale of the paper flowers was finished in just three and one-half hours, according to W. A. Cassie, director of sales.

Entire lot of 1,000 poppies was disposed of for \$223.50, post officials state. Net proceeds will be used for veteran relief by the local post.

Leaders of the VFW post want to publicly express gratitude to the following saleswomen who handled the sales: Mmes. J. C. Turner Jr., C. E. Prater, Delbert Kite, B. A. Shaffer, Harold Wheat, Dean Witt and W. E. Shira; and Misses Suzanne Toler, Jo Hargrove, Betty Jane Barry, Verlene Stewart, Joyce Barnett, Jerita Durham, Naomi Young, Barbara Young, Jeanette Bevels, Lupe Cave, Nozik Hassen, Wanda Jean Mayfield, Beverly Horney.

Mmes. Ross Fomby and Lewis Yeats prepared and decorated the display poppy cases used by the sales groups.

### American Official in Berlin Says He Thinks Hitler and Eva Alive

A high American official, after a year of secret investigation, said last week he believed Adolf Hitler, Eva Braun and Martin Bormann still are alive.

He said he was certain Hitler and his mistress-wife did not commit suicide in the final days of the siege of Berlin and, with Bormann, survived the European war.

Because of the nature of his work, the source must remain anonymous. He is, however, considered highly reliable by American diplomatic and military authorities.

He told a press service representative in Berlin, "Officially, I must tell you that Hitler, Braun and Bormann are considered dead. But, personally I am sure they are alive—or at least that they were alive when the war ended. They did not commit suicide during those final hours in the chancellory bomb shelter, as so many stories have tried to make us believe."

### Luther McClure Enters Army for Three Years

Luther C. McClure has recently volunteered for the regular Army for a period of three years in the ordnance department. He has asked for the European theater for overseas duty.

Prior to his enlistment in the Army, McClure was a mechanic.

### WATER WON'T BURN

We've heard for years that gasoline and liquor won't mix—but C. F. Butcher learned Sunday that gasoline and water won't mix to do any good—especially if he has driving to do.

Driving up to a Hamlin service station, he asked the attendant to "Fill 'er up!" The station man, intently interested in a blonde across the street, or dreaming of a fishing trip, absent-mindedly filled 'er up all right—but with H2O from the water hose.

The day dreamer apologetically drained the tank and made good the cost of gazing.

## CELOTEX AND DOVIE WIN SOFTBALL TILTS IN LEAGUE PLAYING

Two softball games Monday evening at the city ball park set off matched play in a league that is still open for entrants for twilight games at Hamlin, according to officers of the Hamlin Junior Chamber of Commerce, sponsoring organization.

Celotex and Hamlin Fire Department teams played the opener which the gyp makers won 10 to 9.

Second evening's tilt featured the Jaycee and Dovie teams that turned into a riot when the Dovie nine stacked up 15 runs to the Jaycees' 3.

Plainview will furnish the opposition Tuesday evening of next week when the Jaycees try again to get in the win column.

Admission of 10 cents is being charged at the gate, proceeds from which will be used to buy equipment for the games and pay other expenses in connection with the games.

## Four Hamlin Scouts at Area Camp This Week

Four Hamlin Boy Scouts are this week attending the annual summer camp of the Chisholm Trail Council at Buffalo Gap. They are members of Troop 33, sponsored by Hamlin Rotary Club.

Taking the boys to the camp Saturday afternoon were Scoutmaster M. S. Johnson and Assistant Scoutmaster J. T. Crawford. They will return to the camp Saturday of this week to pick up the attendants.

Going to Camp Tonkawa for seven days of camp life were Buddy O'Neal, Tommy Carpenter, James Rodgers and Wesley Niedecken.

No members of Troop 32, sponsored by Hamlin Lions Club, are attending the camp this year.

## Paul C. Witt to Preach At Church of Christ

Paul C. Witt, professor of chemistry at Abilene Christian College, will fill the pulpit at the Hamlin Church of Christ at both services Sunday, according to members of the congregation. Bro. Witt, prominent in Church of Christ circles, is an outstanding speaker.

The local church is now without a resident minister with the leaving on June 1 of Mardell Lynch, who has accepted the pastorate of the Colorado City Church of Christ.

## Dan Meads Discharged After Service in Navy

Dan J. Meads is back home again after many months spent in Uncle Sam's Navy. He is with his parents, Mr. and Mrs. E. E. Meads.

After exactly two years to the day in the Navy, Dan spent 21 months overseas, serving in the South Pacific area. Most recently he has been headquartered at San Francisco, California. He received his discharge at Camp Wallace.

## UNOFFICIAL COUNT GIVES 1466 FOR AND 1504 AGAINST ISSUE

Whew! That was a close election!

Both proponents and opponents of a proposed voting of bonds for a county-wide hospital and health center, slated to be erected at Anson, the county seat, were saying these words this week as returns from Saturday's voting came in. Unofficial tabulations gave the result: Total of 1,466 votes favoring issuing of bonds in amount of \$200,000 against the assessed property valuations of Jones County and 1,504 votes against issuing the bonds. In other words, the bonds were defeated by 38 votes.

Anson, where the movement for the proposed hospital was started, polled 967 votes—941 for issuing the bonds and 26 against, which was a little over 36 to 1 for the bonds.

Stamford voters went to the polls in only fair numbers to poll 701 votes out of a possible 1,200 eligible to cast their ballot. Of this number 54 favored the bonds while 647 voted against the measure. This count made about 12 to 1 against the tax levy.

Hamlin voters went out in good numbers, though probably 400 under possible voting strength, to poll only four votes for the bonds and 501 against—more than 125 to 1 against the bonds.

Official tabulations of the voting will be made in a canvass by the Commissioners Court at its next regular session, but no alteration in the count is expected.

## Alpha O. Butler and Graham Girl Married

Lois Foley, daughter of Mrs. Tina Foley of Graham, became the bride of Alpha O. Butler, son of Mr. and Mrs. A. H. Butler of Hamlin, in a double ring ceremony Sunday at the parsonage of the First Baptist Church in Breckenridge. Rev. H. T. Aldridge, pastor, officiated at the ceremony.

The bride wore a pastel blue crepe dress with white accessories and a corsage of white gardenias. For "something old" she wore a bracelet that was given to her great-grandmother in 1843 on her wedding day. For "something borrowed" she carried a white monogrammed linen handkerchief belonging to her sister. The wedding was attended by close friends and relatives.

The bride is a graduate of Graham High School and took a post graduate course from the same school. She has been employed as bookkeeper for the Graham Ice & Locker Plant for the past year and a half.

The bridegroom is a graduate of Williams High School and attended Hardin-Simmons University, Abilene. He served in the European theater of operations and received his discharge from the Army in September, 1945. Mr. Butler is employed as assistant manager of the Safeway Store in Graham.

After a wedding trip in New Mexico, Mr. and Mrs. Butler will make their home at 401 West Third Street, Graham.

## Frances Ubben Presented As Prexy of Cowgirls

Frances Ubben, daughter of Mr. and Mrs. J. Ubben of Hamlin, was introduced as new president of the Cowgirls of Hardin-Simmons University, Abilene, when 86 former and present Cowgirls attended the annual Round-up breakfast given at the Windsor Hotel Sunday morning. She was elected during the school term just closing by members of the famous H-SU organization. Frances will take office with opening of the new school term next September.

Other officers of the Cowgirls also were introduced by Minnie Alice Mayfield, retiring Cowgirl president. University colors of purple and gold were used in decoration. Golden tapers lighted the tables and miniature brass candlesticks marked each place. Gladioli and daisies and arrangements of shellaced tumbleweeds decorated the tables.

Besides Miss Ubben, also registering from Hamlin was Mrs. Lester Morton.

Mrs. Ray Willingham, Mrs. Dick Moore, Mrs. J. B. Terrell and Mrs. W. H. Gilbert spent last Thursday visiting at O'Donnell. They report crops are in good condition on the Plains.

## Reunion Fetes Return Of Ernest Henderson

Spacious home of Mr. and Mrs. Claude Smith on their stock farm on Sweetwater Creek in the Golan community was the scene of a happy reunion last Thursday when the entire family of Tom Henderson gathered to celebrate the return of Private First Class Ernest Nelson Henderson Jr., a grandson, from a 22-month stay in Japan. Young Henderson engaged the enemy several times in combat, and wears the Purple Heart. He is spending a 60-day furlough at Dallas in the home of his parents at 2353 Beeman Avenue.

At the noon hour a bountiful dinner was served to: Tom Henderson, Ina Faye, Thomas and Atwell Henderson of Merkel, Mr. and Mrs. Claude Smith and Claude Thomas of Trent, Mr. and Mrs. Ernest N. Henderson, E. N. Jr. and Bobby, Mrs. Dalton Hunn and little daughter, Brenda Faye, who represents the fourth generation of the family.

## FIVE-DAY VACATION BIBLE SCHOOL SET AT BAPTIST CHURCH

Arrangements were being made this week to handle a record number of enrollees in the annual vacation Bible school at the First Baptist Church, according to John H. Osteen, pastor.

Registration for a five-day session will be held Saturday morning at the church, beginning at 9:00 o'clock. Boys and girls between four and 15 years of age will attend the classes, which will be held from Monday through Friday of next week. Following registration Saturday morning, refreshments will be served at the church to the enrollees.

Pastor Osteen and a corps of workers in the school invite boys and girls of the entire community to attend the classes, which will feature handwork, art, painting, sewing and Bible stories.

Daily sessions will be staged from 9:00 to 11:30 a. m. During the class periods refreshments will be served every day to attendants, officials of the school state.

Mr. and Mrs. E. R. Hamlin and Mrs. H. M. Hooper spent last week-end at Moody visiting with relatives and friends.

## OCTOGENARIAN

One of Hamlin's happiest citizens Sunday was Mrs. Ella McMillan, who was celebrating her eightieth birthday at her home with her daughter, Mrs. Florence Morgan, at the Morgan Hotel.

Mrs. McMillan, very active for her four score years, was all over the place for the little celebration. An ardent reader, Mrs. McMillan is a regular Hamlin Herald addict.

Here to greet their mother on her birthday were her son, W. R. McMillan, and wife of Tyler and another daughter, Mrs. O. C. Gilbert and husband of Oklahoma City.

## SEWER IMPROVEMENTS ON CITY'S LIST

With the normal growth of any city it becomes necessary for ample provisions to be made by that city to take care of present and future requirements of utilities. Hamlin has had not only normal growth, but its progress of the past several months have outstripped the water and sewer capacity of the town, especially the latter. New homes and new business concerns have been in desperate need of more adequate sewage disposal. Not only are sewer lines in the developing sections of the town inadequate to care for the growth of Hamlin, but the disposal plant south of town is badly in need of expansion and improvements.

Facts in the above paragraph have been known to the members of past and present progressive City Councils of Hamlin. Citizens calling our attention to that fact who have been prone to be critical of the conditions have overlooked perhaps the difficulties confronting the members of Hamlin's governing body. The City is aware of our needs, and preparations have been underway for some months to do something about the matter. Abnormal material shortages and lack of competent technicians who are needed to make improvements at the disposal plant are principal causes of little actually having been done. Your City Council is doing its utmost to handle the situation at the earliest possible time.

## BEING SERVICE MAN IS NO QUALIFICATION

As the political campaign of the state really "get down to business" it is more and more apparent that technicalities of rivalry will be brought into play by aspirants to public office. The thinking voter will weigh all the utterances of candidates before making up their minds how they will cast their ballots in July, August and November.

Of course, it is trite to say that a candidate's qualifications should consist of honesty, integrity and his ability to properly discharge the duties of office. The voter is duty bound to help put in office the person best capable to manage the affairs of the office he seeks.

It is no accusation against a candidate that he lets it be known that he has served his country during a military crisis. But it is appropriate to say that the mere fact a candidate has been in military service makes him no more qualified for office holding than the one who has not served—provided, of course, the latter was not a slacker when military duty called.

The ex-service man—the vast majority of them, at least—wants no favors handed him because of his military duty. He merely wants a fair chance to earn his place in public and private life. The ex-service man who advances his service connection as reason for election is overstepping the bounds of good campaigning.

## ITS NOT SOCIABLE TO SMOKE AND DRINK

While The Herald publisher is a teetotaler, he has no apologies to offer for such a stand on the question of drinking. He was reared in a Christian home that abstained from the liquid fire, and has held tenaciously to such a stand.

That is the reason The Herald recently refused to accept advertising from a distilled spirits association. Aside from our personal beliefs we refused the advertising because the county is dry officially and we are trying to publish a paper we believe will conform with the standards of most of our readers.

We are reminded every once in a while that the drinking question is strictly a personal one, but we challenge such a position. When one's drinking affects his associates it ceases to be a personal matter. When a drunken driver maims or kills another it is of public concern. When a sot spends his money for drink that rightfully should go for meat and bread for his family, the matter ceases to be personal. In fact, in very few cases does one's drinking affect only himself.

We have heard as an excuse for drinking (and smoking) that one had to drink and smoke to be sociable. That's about as weak an excuse as one's saying he had to eat cottonseed cake and grass to become a cattle raiser.

## WHAT CONTEMPORARIES ARE SAYING

### COST HIGH, QUALITY LOW

Federal compulsory health insurance such as proposed by the president would complicate the already serious problem of social security taxation. Under the proposed program, actuaries' estimates that the total for social security taxes, inclusive of sickness insurance, would eventually reach the equivalent of 17 per cent of payrolls, and possibly more.

But burdensome as would be such a large new taxation, the medical care question is much more important. With respect to the latter, the Christian Science Monitor, which has written some of the most penetrating criticisms of socialized medicine, states: "Authorities say in a great many cases workers would simply not be getting the quality of medical care they expected. Mass medicine administered by a federal bureaucracy would result in deterioration standards of service."

"Government insurance schemes have been found to relieve the individual of his own responsibility, to increase the prolongation of the illness and to encourage malingering. The result of the program in America is foreseen as foisting upon an inadequately informed American people a system of medical practice of demonstrably inferior quality and at a constantly increasing cost, with a huge extension of administrative expense."

"Aside from the huge cost, the problem sifts down to the one essential point—getting people well. A mechanized system, run from Washington, over-standardized and open to political pressures, will not suffice."—The Scurry County Times, Snyder.

We read the other day of a lad who advertised his new-born pups for sale as "Republican puppies." Then, two weeks later he sold them as Democratic puppies—because they had their eyes open.

Every time we get mad we wish we had trained ourselves to be a spectator in an emotional situation instead of a participator.

When they jerked a fellow out of a wrecked car the other day, he said that except for his marriage, that was the worst fix he had ever been in.

## CANDIDATES FOR CONGRESS DIFFER ON LABOR UNIONS

The hottest issue in the congressional race is the regulation of the labor unions. It is "hot" because a candidate faces the bitter and underhanded opposition of the war-wealthy unions if he takes one side, and the wrath of the plain citizens who are being hurt if he takes the other. Either way, he will lose votes.

It is interesting to see how our congressional candidates differ in the way they have met this issue—in their willingness to take a definite stand on one side or the other, and in the stand they have taken, if any. Six of the eight candidates have so far published their platforms, and here is what each chose to put in print concerning his views on the labor unions (in alphabetical order):

### BLANTON

I am for the repeal of the National Labor Relations Act, which has put the working man and the whole country at the mercy of a handful of professional union racketeers, whose lust for power knows no bounds.

I am against the closed shop, as a denial of the fundamental American freedom to work, and as an instrument of oppression in the hands of the unscrupulous.

I am against picketing for the same reason.

I am for requiring strict accounting for union funds.

I am for making unions responsible on their contracts.

I am for making union officials subject to the anti-racketeering and anti-trust laws, from which they are now exempt.

I am for requiring the democratic control of unions by the rank and file of on-the-job members. The lack of democracy within unions lies at the root of all our labor troubles.

I am against creating any more tribunals to decide labor disputes. We already have too many boards and commissions. What we need are fair laws for our present courts to enforce.

### BRADBURY

Strikes cannot be stopped by loud talking or political speeches. Intelligence and courage are needed. When I go to Congress I will not be the representative of the labor unions as such, or of industry, but of all the people no matter what their occupation or profession.

### BURLESON

Burleson's 11-point platform does not mention labor unions.

### HERRING

If elected, I will do my utmost . . . to establish between labor and management a permanent and sound basis for settling disputes, granting full and enforceable justice to the

## Pastor and Mrs. E. L. Yeats Entertain with Luncheon for Alliance

Pastor and Mrs. E. L. Yeats were hosts to the regular monthly meeting of the Hamlin Ministerial Alliance Friday at the First Methodist Church.

Before the business session was opened, a luncheon was served the ministers of the town by Mrs. Yeats, wife of Pastor E. L. Yeats of the First Methodist Church.

President J. T. Crawford reported that Superintendent I. R. Huchingson of Hamlin Schools had consented to allow the north wing of the Hamlin High School building and the tennis and volley ball courts to be used as a recreational center for the youth of Hamlin and vicinity, the center to be sponsored and supervised by the churches of Hamlin.

Rev. John H. Osteen stated that the youth center recently opened at the First Baptist Church would be closed, and he and his staff of workers would cooperate to make the Hamlin Youth Center a place of enjoyment and spiritual benefit.

grievances of either party, possibly by the establishment by law of an unbiased arbitration court of qualified and well-paid judges, whose decisions would be backed by proper and just law.

### SANDEFER

Labor-maintenance of the principles of collective bargaining, with a sharing of responsibility by labor, industry and the government; the promotion of live-and-let-live attitude between capital and labor, with the rights of the public to be recognized and protected.

### WAGSTAFF

Labor has the right to organize and bargain collectively and to strike if necessary. In all industrial disputes there should be a compulsory cooling off period, and federal mediation should be employed before any strike is permitted to begin. The principles of the Railway Mediation Act have proven to be successful in preventing strikes, and the provisions of this law should be extended to all industries.—(Political advertisement).

## FAT BUGS MEAN LEAN LIVESTOCK

Livestock lose when bugs eat your cotton crop, and you lose, too.

On the average, insects annually destroy enough cotton to produce 864,000,000 pounds of Cottonseed Meal and 520,000,000 pounds of Cottonseed Hulls—both badly needed this season for meat and milk production.

Your need for feed and more income are two of many reasons why it will pay you to control cotton insects this season. Work with the County Agent and your neighbors on a program that will safeguard your cotton crop, and put money in your pocket.

## NOT ON YOUR TINTYPE

Grandma looks calm and collected as she poses for posterity, but she wasn't—not on your tintype! Getting her family ready for this picture was a long, weary business.

The day this photo was snapped, Grandma was up at dawn, wrestling with the old wood stove, coaxing the kettle to boil, cooking breakfast. And the day before, she ironed the mountain of starched clothes that had needed such hard scrubbing. The day before that—

But that was Grandma's life. She didn't know any other kind. Her way of housekeeping took lots of time, lots of elbow grease. In Grandma's gayest dreams she never imagined the time would come when a woman would have dozens of electric servants daily for the cost of a bar of soap.

Electric service—ready and willing round the clock and calendar—is a modern miracle Grandma missed by being born too soon. But electrical dependability (and cheapness, too) didn't happen by accident. Not on your tintype! They're the result of plenty of hard work and practical experience on the part of your neighbors who operate this company.

to strengthen the GI Bill of Rights to  
give more efficient and greater as-  
sistance in providing homes and in  
making up lost educational oppor-  
tunities. More flexible insurance  
benefits should be provided. Medi-  
cal care should be extended and  
greatly improved.

Issues of far reaching importance  
and concern to the farmer and stock-  
man are pressing hard for solution.  
I am familiar with the problems  
which confront these industries, hav-  
ing lived for over 20 years on a West  
Texas farm. I recognize the need  
for better farm-to-market roads and  
the need for the expansion of the  
rural electrification program.

I shall insist on federal aid to  
assist the farmer and rancher in the  
eradication of poison weeds which  
have been so destructive to livestock,  
and for the eradication of certain  
weeds which threaten to possess our  
farm lands in many sections of the  
district.

Old Age Pensions—Experience is  
a good teacher. I say with no hesi-  
tation that no candidate in this race  
for Congress has had more experience  
with old age groups than have I. I  
am serving my fourth year as a mem-  
ber of the board of directors of a  
home for the aged. Out of these  
years of service has come the convic-  
tion that we should stop thinking of  
an old age pension as a dole which  
we grant to the needy. I believe in  
an old age pension as a matter of  
right—as something we earn in our  
productive years by our contribu-  
tions to the upbuilding of the com-  
munity. I shall do my best to see  
that just principles are embodied in  
our pension laws. We have had far  
too much political hypocrisy in con-  
nection with this issue in recent  
years.

Labor and Industry—Strikes and  
labor disputes are today the most  
disturbing issues in our national life.  
America stands on the brink of eco-  
nomic disaster. Once we thought it  
could not happen here. Regardless  
of the justice or injustice of individ-  
ual strikes, when the welfare of our

nation itself is threatened, we must  
call a halt. When collective bargain-  
ing fails in such cases, I favor com-  
pulsory arbitration by a government  
agency responsible to the people. Al-  
though we may disagree as to the  
remedy for these ills, we are all  
agreed on our aspirations for our  
country. All of us aspire to establish  
social and economic justice and to  
maintain equality of opportunity.  
Stabilization of the relationship be-  
tween labor and industry must be  
established and maintained. Ameri-  
can institutions, traditions and ideals  
depend upon this.

In 1940 I received an appointment  
from the U. S. Department of Com-  
merce as assistant supervisor of the  
17th District for the Bureau of Cen-  
sus. I traveled over 10,000 miles  
over the district in this capacity. It  
was truly a fact-finding job. During  
the business census I came to know  
the problems which confront the busi-  
ness man, both large and small, as  
well as the problem of the farmer  
and stockman. The growth and wel-  
fare of our district must be aided  
and encouraged by a courageous  
voice in Congress. I propose to work  
with our business leaders in the re-  
moval of discriminations against the  
Southwest, and with our public offi-  
cials and other groups who seek ad-  
vice and assistance from federal  
agencies. My compelling desire is to  
represent and serve all of the people  
of the 17th Congressional District in  
every attempt in making our district  
a better place in which to live.—Mrs.  
J. Royal Headrick, Sweetwater.

taxes of said county, is plaintiff, and  
City of Hamlin and Hamlin Inde-  
pendent School District, both munici-  
pal corporations, are intervenors,  
and Albert Moore is defendant, in  
favor of the said plaintiff, for the  
sum of \$250.34, together with inter-  
est thereon at the rate of six per  
cent per annum from date of judg-  
ment on first tract, for delinquent  
state and county ad valorem taxes,  
together with the legal and total  
amount of penalties, interest and  
costs of suit computed thereon, and  
the foreclosure of plaintiff's delin-  
quent tax liens upon the property  
hereinafter described as the property  
of the defendants because of the non-  
payment of the taxes due thereon  
within the time and in the manner  
provided for by law, same being the  
amount of said judgment rendered  
in favor of said plaintiff, State of  
Texas, for itself and in the capacity  
hereinabove set out, by the said 104th  
District Court of Jones County, on  
the 1st day of February, A. D. 1946,  
and to me directed and delivered as  
sheriff of said Jones County, I have  
seized, levied upon and will, on the  
first Tuesday in July, A. D. 1946, the  
same being the 2nd day of said  
month, at the courthouse door of

Texas, to which reference is here  
made or any and all purposes;

Subject, however, to the rights of  
the defendant, his heirs, assigns or  
legal representatives, to redeem said  
property within the time and in the  
manner provided for by law; subject  
to the further rights of the defendant  
to have said property divided and  
sold in less divisions than the whole  
and entire tract, as also provided for  
by law; and in the event there are  
no bidders, said property will at said  
sale be bid off to the said State of  
Texas, for itself and in behalf of  
Jones County and for the use and  
benefit of all political subdivisions of  
said county whose taxes are assessed  
and collected by the assessor and  
collector of taxes of said county.—

## LIONS GIVE \$40 TO YOUTH CENTER AS PROJECT STARTED

In a spasmodic spell of generosity induced by announcement of an expanded youth center project for the community being established at the Hamlin High School, the Hamlin Lions Club members donated \$40 in a quick collection by the tail twister.

Rev. John H. Osteen, pastor of the First Baptist Church, and director in the Hamlin Ministerial Alliance, sponsoring organization for the center, made the announcement, stating that contributions would be accepted from business men and others for equipping the new gathering place for young folks of the community. Rev. J. T. Crawford, president of the Alliance, who was a club guest, expressed appreciation of the Lions' response.

Reagan M. Myers, trucking contractor, was installed as a new member of the Lions Club by Gordon Bennett. Teddy Russell, cafe operator, also a new member, was presented a club button.

Joe McCrary was named as delegate to the Lions International convention meeting in Philadelphia, Pennsylvania, in July. Holly Toler was selected as alternate. Selections were made by lot from a group of six eligible Lions. The club appropriated \$250 last week to send the delegate to the annual confab.

Tex Moore, old timer of the Hamlin territory, who stated he was born November 24, 1855, recounted some changes that had been made in this old world—some of which, he stated, were for the best, others for worse. He lauded members of the Lions Club as men with hearts, unselfish, generous and thoughtful of others, declaring such men will be the salvation of our country.

Club guests were Tex Moore, Rev. J. T. Crawford and Morris Sayles and Pete Taylor of Abilene.

## LEN YEATS TALKS TO ROTARIANS ON MEXICO VOLCANOES

Interesting travelog of the beauty of Old Mexico was given Wednesday at noon for the Hamlin Rotary Club by Helen Yeats, when the group met at the Morgan Hotel for regular weekly luncheon. Miss Yeats, daughter of Rev. and Mrs. L. Yeats of Hamlin, who spent some time studying in Old Mexico, where on vacation visiting with her parents and other friends.

Volcanoes of our neighbor country to the south furnished most of the material for Miss Yeats' entrancing description of Old Mexico. The lady is a member of the Spanish teaching faculty at Stephens College, Columbia, Missouri.

Billy Bryant and Johnny Bryant of Stamford were club guests Wednesday.

In a business session following the luncheon, directors of the Rotary appropriated funds for paying expenses of a Hamlin boy to the State program of supervised government, to be staged at Austin next month.

## POT-SHOTS FROM McCAULEY

BY GEO DARDEN

Mrs. W. M. Keller left Saturday for Denver, Colorado, to attend the funeral of a nephew, who passed away Friday.

Mr. and Mrs. C. D. Jones visited his parents, Mr. and Mrs. J. O. Jones, near Lubbock last week-end.

Juniors and seniors of McCauley High School report a "swell time" on their trip to Carlsbad Caverns.

George Darden had business at Lubbock last Saturday, Sunday and Monday.

Rev. C. E. Dick has been on the sick list for the past several days but is now able to be about.

J. A. Jackson is still on the sick list and reported to be no better.

J. I. Parker of Fort Worth visited relatives here and at Hamlin last week.

N. D. Miers and son of Hobbs had business in McCauley last week.

The peach crop in these parts is getting ripe, and canning in a big way is expected to get underway within the next few days.

People are never satisfied. A few days ago we wanted it to stop raining—and now we want rain!

Jerry Rush, daughter of Mr. and Mrs. J. W. Rush, is visiting for a few weeks with her grandmother at Mansfield, Tarrant County.

Highways are happy ways—if you can stay out of the way of drunk drivers!

Some folks like one thing and some another. Most all the folks have different tastes, even in music. It's funny, but ye ole scribe likes "boogie-woogie."

Births—Announcing the arrival of Lenora Faye Brown on May 21 at Sweetwater; weight four pounds 10 ounces; black hair, blue eyes. She is the daughter of Mr. and Mrs. Otha Brown of Neinda.

Mr. and Mrs. Lon Andress of Slaton, formerly of McCauley, announce the arrival of a son May 28. Named Autry Don, the young man weighed seven and one-half pounds.

Sergeant and Mrs. R. W. Burns of Dallas announce the arrival of a daughter, Barbara Ann, born May 24. Mrs. Burns is the former Annie Ruth Hodnett of Neinda.

Velma Lou Boyd is home for the summer with her parents, Mr. and Mrs. L. H. Boyd. She received her degree from Abilene Christian College last week. Our congratulations.

Home from college over the week-end were Mary Ann McCollum from

McMurry and Betty George from Denton.

Buford Jackson, son of Mr. and Mrs. W. C. Jackson, is home from the Army. He arrived several days ago from India, China and Burma.

Mr. and Mrs. Polly Jackson and Mr. and Mrs. Buford Jackson spent last week-end at Dumas.

Ninety-one turned out for Sunday School at the Baptist Church Sunday. The pastor was thrilled and he turned on steam in what we heard to be a jam-up good sermon.

Mr. and Mrs. Frank Jackson left Friday to attend the funeral of her father, John Briley, at Stephenville.

Charles Miers Eivens of Fort Worth is here to spend a month in the home of his grandparents, Mr. and Mrs. S. E. Miers.

The high school annuals are very nice. Superintendent W. W. Webb is to be congratulated on the publication of The Eagle.

Mrs. L. E. Rector and daughter, Pat, were shoppers in Sweetwater Saturday.

Comment No. 1—Just wandering around Lubbock last week-end, listening to conversations around the hotel lobbies concerning politics, dry weather, the price of cattle, etc.

Congressman George Mahon has Hop Halsey after him in the race for Congress in that district. We found out that Halsey is a bright young fellow and is well liked in that neck of the woods. Some of the folks think Halsey can't win this time, but is getting before the people and will perhaps give George a run for the money two years from now.

Comment No. 2—Well, we really got a scramble for governor in the Lone Star State. Our prediction is Homer P. Rainey will lead the ticket in the first primary and perhaps win votes to spare. More than likely there will be a run-off with Mr. Rainey coming out on top.

Comment No. 3—Now about the Congress race for the 17th District. We predict Gib Sandefer will lead the ticket, and Herring, Bradbury and Mrs. Headrick not too far behind. Perhaps some will withdraw before the primary—and that may be the case in the governor's race.

Comment No. 4—Fisher County politics is warming up a bit. Two new candidates are out—one for county clerk and one for commissioner of Precinct No. 3. Not taking too much stock in county politics this year unless we get "all hot and bothered." We tore our shirt for a lot of candidates in the past and in return got it in the neck. Fair weather friends don't mean much any more, but true and sincere friends are to be cherished, even though they be few or many. We still keep that old idea that friends (and we do mean real friends) mean more than dollars even though that old saying, "You scratch my back and I'll scratch yours," seems to be most popular nowadays. Congress is a good example of what we mean. It's high time that we all get "high behind" and do something about it.—A Darden-O-Gram.

Pure white map linen, suitable for blouses, baby dresses, handkerchiefs, and many other uses.—Carpenier Variety Store. 30-tfc

## BANQUET HONORS COLORED SERVICE MEN THURSDAY EVE

Homecoming banquet honoring returned service men of the colored section of Hamlin was scheduled for Thursday evening at the Oak Grove Baptist Church, according to denomination leaders.

A program of music and addresses was slated during the evening. As climax of the program returning service men will express their pleasure in returning home from the recent world conflict.

Service men will wear their uniforms for the community service.

Following is the complete program for the evening: Opening song, "My Country 'Tis of Thee;" invocation, Rev. R. Jones; song, "Star Spangled Banner;" welcome address, Mrs. Threasa Brown; "The Life of a Soldier Overseas in World War II," Rev. V. L. McPherson; solo, "If You Have Time for Jesus," Mrs. Gertrude Wells; "The Life of a Soldier Overseas in World War II," Victor Lewis.

On the serving committee for the banquet are Sarah Oliver, Rosie Martin, Lillie B. Paige, Mary Lewis, Doris Fay Cook, Anita Logan and Aretta Bell.

I know indeed that wealth is good; But lowly roof and simple food, With love that hath no doubt, Are more than gold without. —J. Greenleaf Whittier.

Courage is that virtue which champions the cause of right.—Cicero.
